Aktivitäten

Chapman's Challenge

The Chapman's Challenge honours the determination of a British Colonel, Freddy Spencer Chapman D.S.O, a top British commando who made a daring escape from the occupying Japanese army in Malaya during World War II. The Challenge evokes Colonel Chapman's sheer courage and endurance, through a run around Pangkor Laut Resort, followed by a jungle trail run and a swim out at Emerald Bay before concluding at Chapman's Bar, the latter named after Colonel Chapman to mark his escape point via the Royal Navy submarine, HMS Statesman.

Fishing and Snorkelling

Hop aboard a 12-foot motorised boat and take in the beauty of the surrounding islands whilst soaking up the warm tropical sun. After a picnic lunch on the beach, you may fish or snorkel in waters teeming with tropical marine fish. This trip requires a minimum of two persons.

Chartered Cruises

Two luxury yachts are available for charter should you wish to explore the Straits of Malacca and the surrounding islands. Regardless of whether you opt for a cruise to nowhere or onwards to a specific destination, you'll enjoy breathtaking views and have the option to drop anchor at any point to fish, swim, or laze on deck to soak up the sun.

Sunset Cruise

Make an evening even more memorable by starting out with a refreshing beverage at sea on board our teakwood Oriental junk. Enjoy free flowing soft drinks, house wine and beer as you admire the island from the sea, bathed in the golden hues of the setting sun. The Oriental junk seats 12 persons comfortably.

The Pangkor Island Excursion

Experience a true glimpse into life on the sleepy island paradise of Pangkor, situated opposite Pangkor Laut, where colourful towns, traditional Malay homes and narrow-winding streets beckon.

The trip begins with a speedboat ride to Pangkor Jetty, where our guide will take you on a short excursion through the 800-hectare island, home to about 25,000 islanders and popular for its idyllic beaches, vivid fishing boats and quality seafood products produced by local cottage industries. The excursion includes a visit to the restored Dutch fort, a remnant of the island's Dutch colonial history, and the Fu Lin Kung temple, a tranquil Taoist temple built into the hillside. Bottled water and light refreshments are provided.

The Chef's Kitchen Experience

Learn the executive chef's culinary secrets and delve into an extensive knowledge of exotic Asian herbs, spices and recipes with The Chef's Kitchen Experience. Embark on a pleasurable gastronomical journey that includes a visit to neighbouring Pangkor Island's fishery, dried seafood markets, noodle maker and floating fish farm. Return to the Resort and rejuvenate with a 45-minute Bath House Experience before learning the art of South East Asian cooking.

Golf

Guests staying at Pangkor Laut will enjoy special privileges at the Damai Laut Golf & Country Club, which is approximately 15 minutes away from Lumut. This club offers an 18-hole golf course. There is a dress code that has to be adhered to.
